

# Meet Me at the Table

## February 2012

What will you find in our MMaTT?

**Parent Time**- just for parents, to give you tools to help your family grow.

**Family Time**- our virtue, verses, and voices from our curriculum.

**Memory Time**- a verse for your family to memorize together.

Please use these cues to help guide your growth as a family.

### Widen the Circle.

Be intentional about welcoming other adults, like our Small Group Leaders, in your children's lives.

When parents widen the circle, they connect their children to a wider circle of influence, giving their children the opportunity to hear from other voices that will say the kinds of things parents would say. Take a moment this month to introduce yourself to your child's small group leader in the Zone or in their Adventure Woods class.

## Virtue: Honor

**Week 3 Verse:** Read 2 Samuel 15:1-16; 18:5-7, 15, 31-33 together.

**Bottom Line:** Honor those who are over you.
